

Lost Property Policy

Document number: LPP-01

Revision: 1.0

Effective from: 1 September 2026

Department: Housekeeping

Document type: Policy

1 Purpose

Items left behind by guests are recorded, stored and returned in the same way at every property.

2 Recording items

Every item found in a guest room or public area must be logged in the lost property register on the day it is found.

Items of high value must be handled as described in Annex B (to be issued).

3 Returning items

Items are returned only after the owner's identity is confirmed against the reservation.
