1. Purpose

These procedures keep Aurelle's spending controlled and its records audit-ready. They cover purchasing, supplier payments, credit to corporate clients, expense claims and group deposits.

2. Purchasing

2.1 Purchase Orders

Purchases above USD 1,000 require an approved Purchase Order before the order is placed with the supplier.

2.2 Approved suppliers

Aurelle's approved supplier list is maintained by the Purchasing Manager and published in the ERP.

2.3 Goods receipt

The receiving store records a goods received note in the ERP when a delivery arrives.

2.4 Three-way match

Supplier invoices must be matched to the Purchase Order and the goods received note before payment.

3. Credit

3.1 City ledger credit

City ledger credit above USD 5,000 per account must be approved by the Finance Manager before the account is activated.

4. Expenses

4.1 Expense system

Expense claims are submitted through the expense module of the ERP.

4.2 Claim deadline

Expense claims must be submitted with original receipts within 30 days of the expense.

5. Group deposits

5.1 Deposit invoicing

Finance issues deposit invoices for group and event bookings on request from Sales & Events.

5.2 Deposit level

Group deposits of 25% of the contract value must be received before a booking is confirmed as definite.

6. Month-end

6.1 Supervised close

Finance Associates must complete a supervised month-end accounts payable close before working independently.
