Document ID	ITA-01
Title	IT Access & Acceptable Use Procedure
Version	1.3
Status	Approved
Effective Date	2025-04-01
Review / Expiry Date	2027-03-31
Owner Department	IT
Category	SOP
Applies To	All employees with system access
Supersedes	ITA-01 v1.2

1. Purpose

This procedure explains how access to Aurelle systems is requested and granted, and how systems and devices are used day to day.

2. Access

2.1 Requesting access

System access is requested by the line manager through the IT portal and is granted only after the Information Security Basics module has been completed.

2.2 Standard access pack

The standard pack includes email, the HR portal and the learning platform. Role-specific systems such as the PMS or ERP are added according to the role.

2.3 Access levels

PMS access levels are assigned by role; associates must not request or use a higher access level than their role requires.

3. Credentials and devices

3.1 Passwords

Passwords must be at least 10 characters long.

3.2 Password resets

Password resets are available through the self-service portal or the IT Service Desk.

3.3 Staff Wi-Fi

Staff Wi-Fi is separate from the guest network and covers all back-of-house areas.

3.4 Personal devices

Personal devices must not be connected to the staff Wi-Fi without enrolment in the Mobile Device Management app.

4. Acceptable use

4.1 Business use

Company email and systems must not be used for personal commercial activities.

5. Mobile learning

5.1 The Aurelle Learning app

The Aurelle Learning app gives access to onboarding modules and quizzes from a phone.

5.2 App access

Employees may request access to the Aurelle Learning app on their personal phone after MDM enrolment.
